Kalihi, and the upper Waikiki road.

SLIGHT INACCURACIES .- Kahoukua, who died recently near Punahou, was the undoubted halfbrother of the late M. Kekuanaoa (not Kakuanao, as the Gazette has it,) and he did not attempt to establish his own claim before the Supreme Court, but to upset the claim of Her Excellency R. Keelikolani to

FATAL ACCIDENT ON A COASTER .- On Wednesday of last week at Anahola, Kauai, a native sailor ing his skull, killing him instantly.

around the square: Adjutant General March Berg Overture, Opera, Ballanda Bert Singer's Pleasure, Polka.....

SELLING TO NATIVES .- On sworn information. warrant was issued last Saturday against the licensee of the Royal Hotel for selling liquor to natives on the occasion when Kupeahi came to his death, December 3d. The case came up for a hearing on Tuesday last, when the Police Magistrate declined to try it, on the ground of being related to the defendant, and the case will be heard by the Intermediate Judge, the Hon. J. M. Kapena, who is expected from Kailua, Hawaii, by the first opportunity.

features in the case of us islanders on which to ex-THE DOLPHIN .- Our readers will remember the ercise his peculiar talent for ridicule. We are not arrival here last year of the little sloop Dolphin, of informed as to what the "prevailing frenzy" was five tons, Captain Davis, from San Diego for Japan. about in London concerning these islands which In a late exchange we find that the adventurous little called Mark Twain once more to the front, nor does craft reported herself at Yesso, in 60 days from the the account of his lecture in any way explain it. coast of California. The voyage was devoid of start-On the 7th of October he thus introduces himself to ling interest, save a severe storm experienced, which the editor of the London Standard : lasted five days, during which the little craft was SIE :- In view of the prevailing frenzy concerning the Sandwich Islands, and the inflamed desire of the hove to, and the men were obliged to remain in the cabin with the hatches battened down. During the public to acquire information concerning them, I have thought it well to tarry yet another week in storm the Dolphin was found to possess excellent England, and deliver a lecture upon this absorbing sea-going qualities for so small a vessel. subject. And lest it be thought unbecoming in me,

of rain-a good deal of moisture fell-and the were sent to try and make the place passable for pedestrians, and in doing so they piled up the mud on the opposite side of the street, "thick and slab." Early the next morning it was discovered that some industrious person, probably in view of the present high price of poi, had improved the patch by thickly planting it with taro tops. That one circumstance illustrated the condition of Hoamount of verbal description.

Among the departures we note that of the British ship Annie Fleming, with a cargo of grain, which put into this port some weeks since, in distress, having carried away all her spars and masts in a cyclone. The work of repairing her was entrusted to Mr. Geo. Emmes, who has executed the job with commendable despatch and in the best manner. It could not have been done more satisfactorily in San Francisco, and certainly not so economically. Not only was every spar replaced (excepting only the lower foremast,) | the four following evenings and on Saturday after- | ting to the discussion of the Constitutional bills be but new sails throughout were made for her, the lat-ter by J. M. Oat & Son,—and the entire expense was Islands, the habits and customs of the natives, the less than fourteen thousand dollars. As the vessel left our harbor on Monday, she looked the picture of ask their permission to introduce to them "Mr. mittee on the Prolongation, has adopted the proposal naval beauty and as if she was starting on her first

sons, the crews obtained in San Francisco are generally bad material, and it appears to be taken for granted that they must be ruled with a severe hand. On board the ship Topgallant, which arrived from San Francisco on Sunday, there was a "slight unpleasantness" on Monday night, two of the crew (negroes) persisting in going on shore against orders They jumped overboard and swam for the shore. The mate of the ship called out to them to and fair that the United States, in however imperfect return, or he would shoot. They kept on, while the mate discharged his pistol several times, and a ball going through the "har" of one of the colored gentlemen he took a scare and came back. The other continued his course and got to the shore,

by two boat-boys. These last had no sooner appeared on deck than they were set upon by the crew, and Enderbury Island to load guano

One Week Later. UNDER SAILING ORDERS. - The U.S. S. Saranac. has taken on board coals during the past week,

and has otherwise prepared for sea, so as to be By the arrival on Sunday last of the clipper ship Topgallant, 21 days from San Francisco en route for the Guano Islands, a small mail was received includ-

the excitement existing in the United States on account of the summary execution by the Spanish authorities of Cuba of the Captain and all on board the American steamer Virginius, on the 7th of November. This steamer has been for over a year past engaged in the business of blockade running, being employed by the Cubans resident in the States to convey supplies to those in arms against the Spanish care to print on account of its severe tone, complains Government. On the last day of October she was that he heard for the first time the day after the Good captured by the Spanish war steamer Tornado, and Templars' Fair, that the proceeds were to belong entaken into St. Iago de Cuba. The following clippings from telegraphic dispatches gives the substance tirely to "Ultima Thule" Lodge No. 1, and were not

intended for the benefit alike of all the Lodges of the On the 7th instant, the Captain and thirty-six of Order in the city. He adds, that he and others not the crew of the steamer Virginius, were executed at tee-totallers but hearty well-wishers of the Order, Santiago de Cuba, and on the next day, the 8th, patronized the Fair under the impression that each twelve more of the Cuban volunteers on the vessel Lodge was to receive a share of the funds realized in were shot. Among the latter were Fanchie Alfaro. The Havana despatch announcing the execution proportion to its membership, and he is evidently dissays Alfaro offered the Spanish authorities one milappointed and annoyed to find that he was mistaken. ion dollars if they would spare his life. The Span-It is quite possible that "S. B." and others may have iards say Alfaro came to assume the Presidency of the been misled in this matter, but we confess that we so-called Cuban Republic.

were under no such misapprehension from the time when the affair was first announced by "Ultima which arrived yesterday, were arrested by the Span-Thule " Lodge, up to its very successful conclusion. ish authorities on landing. It is reported they are accused of complicity with the insurgents. To the Editor of the Pacific Commercial Advertiser. It is expected that General Banks and Gerritt Sir. This has been an eventful year for Hawaii. Smith will address the forthcoming Cuban meeting. It is only thirty-four years since the King and The rumors of collusion which have existed in regard

o the surrender of the Virginius are being dischiefs of this nation granted a Bill of Rights at cussed in Cuban circles. A call has been issued for Luaehu, Lahaina, Maui, 1839, which is the basis of for a mass meeting on Saturday, to protest against a civilized government by the people. The Conthe policy of the Government in reference to Spanish stitution granted by King Kamehameha III., by barbarities and with the advice and consent of the Nobles and WASHINGTON, Nov. 12 .- The Consul-General of the United States at Havana telegraphs to Secretary Representatives of the people, followed in 1852, Fish that the Havana papers publish a report of the In 1864 the present Constitution, under which the execution of the Captain and crew of the Virginius country has since been governed, was granted by as telegraphed from Havana. On receiving the des-

> President, and soon thereafter telegraphed to the Consul-General to verify the statement. The excitement against the Cuban authorities, which had somewhat lessened, has been revived by to-day's startling announcement. The news formed the subject of earnest comment in official and diplomatic circles. At a Cabinet meeting yesterday, a Washington correspondent makes President Grant say that he had read that eighty Cuban insurgents, captured as prisoners of war, had been shot on the field, and while the report lacked confirmation, after what had already occurred in Cuba, he was satisfied that the Spanish Government did not and would not approve of such butchery. It was a matter which an enlight-ened nation could not overlook. If, indeed, this method of warfare was necessary to support the Spanish Republic, as an individual he could not wish

time to interfere-not to encourage the struggling Cubans, nor embarrass the Spanish Republic in any way; but wholly in the interest of civilization and humanity A Washington special to the Times says that the Cuban insurrection, instead of being against the

From my knowledge of all free governments, I know that the prosperity and independence of the subservient to them, or be driven away. Hawaiian Islands, depends on our showing to the world that we are a law abiding people, and regard our Constitution and laws, which protect sloops of war Kearsarge and Juniata ready for sea at once. At noon to-day, under pressing orders, the torpedo boat Admiral Porter was launched and will It is my belief that the Hawaiian people will be made ready for operations in a few days. ers to our shores. Let them come, and bring with sons on the Virginius were shot: Colonel Baytei, Lieut.-Colonel Eastallus, aged 17; Peter Alfonso, them money and skill to develope the resources of the country. Here, as in the freest and strongest brother to the Secretary of the Cuban organization in nation in the world, all men will be protected in this city, and many others. There were also on the their rights, under civilized law. Who ever says Virginius eighteen English subjects, who had sailed from Jamaica. Some of these were shot. These that this is not so, is in my opinion no Triend of facts, it is believed, will call for action on the part of the British Government. Alexander & Son, direct-A great deal has been said by a few persons in ors of the New York and Mexican mail line of our community to the effect that the natives are steamers to which the City of New York belongs, antagonistic to the foreigners. This I deny, and I had no intelligence of the arrival in Havana of passengers from New York on that steamer, as reported take this opportunity to say that no such feeling by the telegraph this morning. It has been resolved has or now exists; for the proof of which I state to postpone the mass meeting of American sympa-thizers with Cuba until the receipt of more definite that during the discussion about ceding Pearl River to the United States, no violence or threat came

> tion of the news of the execution, remarked that, if true, it would be the dearest blood ever shed by Spain He said the Government was in sympathy with the public feeling upon the question, and was restrained from immediate action only by the absence of official reports. He intimated that it would not object to striking the blow at once, at the Volunteers in Cuba, if it could be done without making war upon the Republican Government at Madrid, which was considered especially friendly to this country. He stated that, to strike at the Volunteers would necessitate the direction of the war against the Spanish Government, which would expose us to the charge to taking unworthy advantage of the war. He saw but one way to avert this, which was to notify the Madrid Government that the embargoed estates of Americans in Cuba must be at once restored, and these people protected in the enjoyment of their property. If Spain was unable to do this then the United States would be compelled to use force to accomplish these objects, and further, if Spain took umbrage at this language, it would precipitate things, which would be, probably, the best result for all concerned. He thought it was a shame that Spain should be allowed to perpetuate such rule as hers over Cuba, and commit such

> HAVANA, Nov. 12 .- The Voz de Cuba to-day says editorially that it is as humane as anybody, more so than many who make ostentations professions of philanthropy, but it cannot do less than approve the energy displayed toward all the rebels, and particularly toward those whom the filibustering steamer Virgin-

absolutely necessary at this juncture. I feel and Captain Joseph Fry was manifestly aware of the know that I am equal to this task, for I can allay bject of the expedition, and the nature of the cargo which he was tempted to take charge of by a large have saved many communities in this way. I have sum of money being offered him, thinking there were always been able to paralyze the public interest in ninety-nine chances in a hundred of his landing any topic I chose to take hold of and elucidate with safely. It is thought that this will be the final effort of the insurrectionists. The Captain and craw were Hoping that this explanation will show that if I shot by a squad of marines in the Public Square. am seeming to intrude, I am at least doing it from a Among the crew, and disguised as firemen, were Ignacio Alfaro, Dosearco Narona, Castellanos Paneda, Moeta, and other persons of importance. THE PACIFIC Shipping. FOR VICTORIA, B. C. THE FINE AM. BARK

Carstine. Last Thursday a boat belonging to the U.S. S. Saronac, while endeavoring to board the Letitia as she entered the harbor in tow of the tug, got afoul of the pilot's boat and capsized. No damage done beyond an impromptu saltwater bath by the officer and his boat's crew. A Correspondent who claims that his views are shared by others, but whose communication we do not

ready to sail on short notice.

Kamehameha V.

Many feared that the nation was not sufficiently

educated in Constitutional Government to elect a

Sovereign on the demise of His late Majesty with-

out naming his successor. But these fears were

groundless. The peaceful election which followed

showed that Hawaiians are capable of self-govern-

Last July the government proposed to the

United States Comissioner to renew negotiations

for a treaty of commercial reciprocity, and sug-

gested that this might be made desirable to the

United States by ceding to them the Harbor of

It soon appeared that the Hawaiians were not in

favor of such a cession. I was myself not in favor

of it. Many people had fears that if the United

States had possession of Pearl Harbor, the inde-

The previous action of the United States does not

justify those fears, for that government has always

desired to see the Hawaiian nation free and inde-

pendent. When Kamehameha III. placed this

country under the protection of the United States

in 1852, to save us from the threatened attack of a

French man-of-war, the United States returned the

pendence of the nation would be jeopardised.

a stranger, to come to the public rescue at such a

time, instead of leaving to abler bands a matter of

so much moment, I desire to explain that I do it

with the best of motives and the most honorable in-

tentions. I do it because I am convinced that no

one can allay this unwholesome excitement as effect-

nally as I can; and to allay it, and allay it as

any kind of an excitement by lecturing upon it.

I am, sir, your obedient servant.

Last evening "Mark Twain" (Mr. S. L. Clem-

ens), the well-known American humorist, delivered

a lecture on "Our Fellow Savages of the Sandwich

Islands," at the Hanover Square Rooms. There was

a very large audience, including many dramatic and

literary celebrities, both English and American,

among whom Mr. Barnum, the "Yankee" show-

man, new on a visit to this country, was especially

historical accuracy, veneration for the truth, and de-

sweetness of disposition. It was of himself that he

gave that vague and modest description ; and, find-

vidual capacity, but as a representative and expo-

nent of the gratitude of America, and so firmly was

he impressed with the importance of his diplomatic

quickly as possible, is surely the one thing that is
